2) In a private post, a padlock appears. Only the poster and the administrator can view the post.

The screenshot shows the 'Inquiry Board' interface. At the top, there is a header with the text 'Inquiry Board' and a search bar. Below the header is a table with the following columns: 'No', 'Title', 'Writer', 'Write date', and 'Reply mode'. The table contains four rows of data. The first row is highlighted with a red box, and a red arrow points from it to a smaller table below. This smaller table contains three rows of data. A red arrow points from the third row of this smaller table to a message dialog box. The message dialog box has a title bar 'Message from webpage' and a yellow warning icon. The text inside the dialog box says 'Unshared post.' and there is an 'OK' button at the bottom.
